# President's Message

*Bryan Patterson, President, #953*

It was a tremendous re-emergence for our two-day show and sale on June 17th, 2022. If you were not there - you missed a good thing! The number of people in attendance at the Annual General Meeting held Friday night and the breakfast and fun auction on Saturday morning were the highest I have seen in years. The paid attendance to the bourse area on Friday and Saturday was higher than anticipated and the feedback was over the top. One person suggested that we have the best show in Canada.

It was my great pleasure, on behalf of the Society, to present Michael McHenry, F.CSMMI his fellowship designation and to raise Lou Grimshaw to Life Membership. Congratulations to you both.

Participants in the individual militaria displays this year put forward an extraordinary effort. The first-place award to Mike and Tony Reintjes was a “jaw-dropping” display of the Canadian Corps CEF. The second and third prize awards were for well thought out presentations, namely, French Militaria and Canadian Patriotic Pillows; both quite interesting subject matter that drew a lot of attention.

I extend a special thank you to Alex Fitzgerald-Black, Executive Director of the Juno Beach Centre Association for the association's participation at our event. Their display was both educational and informative, and drew quite a crowd.

Lawrence Stasiuk's informative articles (in this issue of the Journal) namely, “CSMMI 2022 AGM” and “CSMMI 2022 ANNUAL SHOW” give an accurate description of the important events of the two days so I need not repeat what has already been said.

I would like to add this to Lawrence's comments.

1. At the AGM, the members suggested that two more positions be added to the Executive Committee. They being, 2nd Vice President and a Member at Large. Two persons were nominated and dully elected to the new positions – Juan José Besteiro to 2nd Vice President and Dave Hiorth to Member at Large. Welcome

gentlemen and I look forward to your fresh ideas and input.

2. If you intend to apply for a bourse table at our AGM event in 2023, speak up soon. We were sold out in 36 days for 2022 and the way this year went for the vendors I'm guessing everyone will want back in next year!

I have been in touch with the folks at Burlington City Hall who work with us regarding the monthly shows and we are set to go in the fall as I have confirmed the September, October and November dates with them.

Have a really fun filled and safe Fall and we'll talk again in the Winter.

# SS JOHN W. BROWN - HISTORY OF A LIBERTY SHIP

---

## Part 3

*By Fred Tripp, #L464*

In the late 1990s, it was determined that the SS John W. Brown needed repairs at an estimated cost of \$1,000,000. It was decided that she would be made ship-shape at the Toledo Ship Repair, in Ohio, on Lake Erie. It was one of the few places that still had the equipment and experienced workers needed to repair ships of the Brown's vintage. Her propeller, bearings, hull fittings and steel hull plates all needed repair and/or replacement. When Toledo was ready, the Brown sailed from Baltimore, Maryland arriving on Lake Ontario in May.

On May 26, 2000, she entered the Welland Ship Canal from Lake Ontario, at St. Catharines, Ontario, and proceeded on a 27.6 mile-long voyage, transiting through eight locks, that would raise her 326 feet before she could enter Lake Erie and move on to Toledo. The pictures of the Brown, shown herein, were taken at Lock 1 of the Welland Canal as she started her trip to Lake Erie.

After her repairs were completed on July 19, 2000, the Brown visited eight ports in order to give tours, historical re-enactments, etc. She made appearances at Toledo, Detroit, Windsor, Cleveland, Buffalo, Toronto, Montreal and Halifax. She finally returned home to Baltimore on August 25, 2000. The S.S. JOHN W. BROWN, is one of only two remaining, fully operational Liberty ships that participated in World War II. She is now a ship museum in Baltimore Harbor.

# CSMMI 2022 ANNUAL SHOW

*By Lawrence Stasiuk #1685*

And we're back! The CSMMI 2022 Annual Show was held on Friday June 17 and Saturday June 18, 2022 at the Burlington Holiday Inn and Convention Centre, Burlington, Ontario. This was a return to the in-person show after the 2-year hiatus due to the restrictions imposed by the COVID-19 pandemic. Vendors, members and guests were pleased to be back and praised the efforts of the organizing committee.

This year's show was led by Bryan Patterson and Mike McLean who shared duties for organizing the event. They were supported by Terry Wallace on advertising, Ken Keegan with memberships, Andy Traverse on finances and Lawrence Stasiuk with graphics and event signage. All 78 vendor tables were rented out to 40 vendors. Six displays were shown on 7 tables. The Annual General Meeting, Saturday morning breakfast and member fun auction completed the show program.

Vendors reported good sales and trades, and members were happy to find many items to enhance their collections. Many of these were proudly shown on the CSMMI Facebook page. The highlight for most was the opportunity to meet old friends and make new ones as they shared stories about their collections and recent finds.

The CSMMI has announced the 2023 Annual Two-Day Show will return to the Holiday Inn in Burlington, Ontario on Friday, June 16 and Saturday, June 17, 2023.

# CSMMI 2022 AGM

*By Lawrence Stasiuk #1685*

The CSMMI 2022 Annual General Meeting (AGM) was held on Friday, June 17, 2022 at 4:50 p.m. in the Harvester Hall of the Burlington Holiday Inn and Convention Centre, Burlington, Ontario. This was the first in-person meeting since 2019 due to the restrictions imposed by the government to control the COVID-19 pandemic. Presiding officers included Bryan Patterson, President, Andy Traverse, Treasurer and Bill Alexander, Secretary. Thirty-one members and guests were in attendance, including Mike McLean, Vice President and members of the Executive Committee.

## **Business**

The minutes of the June 21, 2019 AGM were reviewed and approved. The treasurer reported the Society is in a financially healthy position. The current balance of the Society's accounts as of June 2022 are: \$34,644.84 CDN plus \$456.76 USD. The Treasurer's Report included a handout showing the financial summaries for 2019, 2020 and 2021.

Ken Keegan, Membership Secretary, provided a handout showing the membership as of June 2022 is 225 members. The membership numbers are relatively steady with some losses attributed to the COVID-19 pandemic and the passing of some senior members. Members delinquent on payment of dues were culled from the membership and 56 new members joined since 2019. The breakdown of membership is as follows:

|                                 |            |               |    |
|---------------------------------|------------|---------------|----|
| <b>Current 2022 membership:</b> | <b>225</b> |               |    |
| Canada                          | 204        | Life Members  | 8* |
| United States                   | 18         | Complimentary | 3* |
| United Kingdom                  | 3          | Honorary      | 2* |
|                                 |            | Junior        | 4* |

\* = included in national totals

## **Comparison numbers:**

2019, 239 members; 2020, 247 members; 2021, 221 members.

## **New members:**

2019, 14 members; 2020, 16 members;

2021, 9 members; 2022, 17 members.

The website report was given by Lawrence Stasiuk who noted there were 17,398 visitors from June 2021 to June 2022 for an average of 48 visitors per day. This is a slight decrease from previous years and attributed to the impacts of COVID-19. With fewer in-person shows by the CSMMI and less in-person events by other associations, there was a reduction in visits for information. The Facebook Page

report was given by Bill Alexander who reported an increase in membership to 1581. It is an active site with regular postings. It complements the Society's website and is used to promote the CSMMI and generate new members.

In his President's Report, Bryan thanked the efforts of the executive officers and the Executive Committee during the past few years. He also thanked the Burlington

Holiday Inn for working with the CSMMI to ensure the 2022 Annual Show could be accommodated and to help find alternate guest rooms at the nearby Quality Hotel. The last-minute changes were initiated by a corporate and government decision to provide accommodations for Ukrainian refugees resulting from the invasion of the Ukraine by Russia, that began on February 24, 2022.

Bryan highlighted the return to in-person monthly shows in February 2022, the return of the annual show in June 2022, the regular publication of 4 issues of the Journal per year, and the strong financial health of the Society as significant accomplishments. Eight CSMMI members who passed away were commemorated: Doug Johnson, Diane Migory, Leslie Eslary, Richart Mallot, Rudy Sauro, Floyd Migory, Wayne Cline, and Frank Grant.

# W. Bryan Patterson – Harvey Mitchell Award Recipient

*By Lawrence Stasiuk #1685*

On June 18, 2022, at the CSMMI Annual General Meeting, W. Bryan Patterson, #953 became the newest recipient of The Harvey Mitchell Award. He was presented with the award and the “HM” pin by Vice-President Mike McLean and previous Harvey Mitchell Award recipient, Fred Tripp, HM.

Bryan Patterson has been a member of the CSMMI for 38 years. He has a long career of service and devotion to the Society. Bryan holds the distinction of being the longest serving President of the CSMMI, having logged in over 11 years from 2010 to 2022. In 2015, he was awarded the CSMMI Silver Service Medal.

Under his presidency, Bryan has provided strong leadership and financial management ensuring the sustainability of the Society. Since 2015, he has been a familiar face at the front desk of the monthly shows and annual shows where he not only collected admission fees, but took the opportunity to encourage many guests to sign up as new members. His efforts have been a significant

---

factor in maintaining a stable membership in the face of the pressures of attrition, COVID-19, and the changing nature of militaria collecting.

Bryan currently serves as the Monthly Show Bourse Convenor, the Annual Two-Day Show Convenor and lead of the CSMMI Journal Editorial Team. He has also been a frequent contributor to the Journal. On the community front, Bryan has promoted the CSMMI at several events and he has extended help to several estate executors who were charged with the task of appraising and liquidating collections belonging to several CSMMI members.

The inscription on his award states, “#953 W. Bryan Patterson. In recognition of his continuous and distinguished service to the interests of the Canadian Society of Military Medals and Insignia, June 2022”.

The Harvey Mitchell Award was created in 2005 and named for Harvey Mitchell, a co-founder of the CSMMI and its first President. It was established to recognize outstanding and distinguished service, and devotion to the interests of the Society. It is the most prestigious award that can be made by the CSMMI. The recipient of this award is entitled to be identified by the postnominal letters “HM”.

Mr. Patterson is the 6th recipient of this award joining previous recipients, Fred Tripp, HM, Warren Carroll, HM, F.CSMMI, Donald W. L. Barnett, HM, Frank Fuellon, HM, and Ross W. Irwin, HM. The Canadian Society of Military Medals & Insignia congratulates Bryan Patterson, HM on his CSMMI Harvey Mitchell Award.

# HALT! WHO GOES THERE?

---

*By R.J. Bob Rutledge #1661*

This unidentified item is a circular patch depicting a navy ship's steering wheel (helm) with eight spokes and a separate outer ring, mounted on a khaki background. The ship's wheel and outer ring appear to be made of a firm light brown felt. The machine stitching is extra small and appears to be out slightly, with a small problem in turning that is fairly common to early sewing machine work. The pattern itself was placed slightly off-centre relating somewhat to production by an individual.

This circular cloth measures 2 ½" (65mm) in diameter. The design of an ancient sailing ship's helm with 8 spokes with a circular outrigger, is not listed in many naval (RCN) recognition badge references, nor is it a proficiency badge recognized as British or Canadian. In the Royal Navy and Commonwealth navies, the helm's wheel was a badge used to identify the coxswain. The coxswain is the senior sailor on a ship, responsible for discipline and much of the organisation on the ship. He commands a crew in action and acts at all times as master pilot or steersman of the ship. The Australian Navy, founded in 1913, had a six spoked coxswain badge.

Before steam or electrically controlled ships, sailing ships used a spoked ship's wheel to control the rudder and navigate the ship. The age of ships moved by sail faded toward the end of the 19th Century with the introduction of steam to propel ships. If anyone can identify this patch, please send your information to [info@csmmi.com](mailto:info@csmmi.com).

# **SOCIETY AIMS & OBJECTIVES**

The Canadian Society of Military Medals and Insignia (CSMMI) was founded on March 21, 1965 for the purpose of advancing the study of military orders, decorations, medals, insignia, accoutrements, documents and all related militaria. The Society seeks to encourage popular interest and to gather and publish information in all matters related thereto, along educational and historical lines. It also seeks to foster the preservation of such honours, awards, insignia and items of military interest for future generations.
